

Gembrook Craft Group Spin-In

Sunday 24 and Monday 25 May at the Gembrook Community Centre.

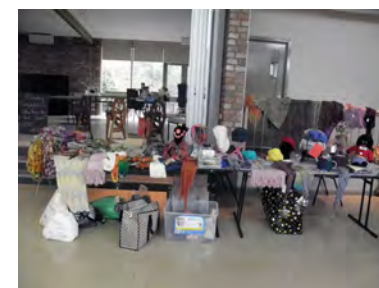

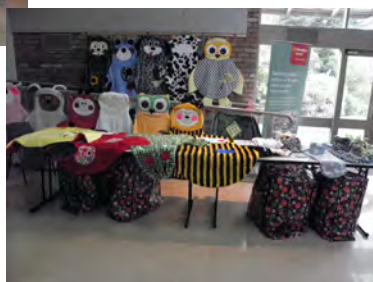

On Monday 25 May Ursula helped out at the Spin-In and took with her the Friends of Kurth Kiln portable display.

The Stalls the holders had setup looked impressive.

Gembrook Craft Group Stall

Soon the hall was filled with ladies (and a couple of men), all busily spinning or doing some kind of handcraft, and enjoying each others company.

During the day the talented craft people held various demonstrations, in basket weaving and creating little animals from felt.

Winners of the raffle could choose from many beautiful prizes, and door prizes were called out throughout the day. It was lovely to hear participants say "I had a wonderful day, it is such a pleasure to be with like minded people".
