

# Upper Yarra U3A Walk at Kurth Kiln

28 March 2015

Ten U3A walkers met at Kurth Kiln on a drizzly day. They started off walking the Tomahawk Creek circuit. Two of the walkers then drove to Shiprock Falls while the others walked. Meeting up with the two people driving who drove to Shiprock Falls a photo, in front of the huge rock, was taken in the drizzly rain.

At Shiprock Falls three participants, who had an afternoon commitment, returned home and the others walked down the track to the viewing platform. On the way

At Shiprock Falls we saw a Melbourne Water crew. They were sheltering from the rain and taking a break checking for weeds.

back to Kurth Kiln they detoured to the Klink's for morning coffee, appreciating the warmth of the house. On Thornton Track they returned to Kurth Kiln.
