

Waverley Bushwalking Club walk at Kurth Kiln

Sunday 27 August 2017

13 Participants started off on the Tomahawk Creek Track, to Spotover. Although it had rained the low area on the Spotover Track was easily to walk across. They continued on Manna Gum Track to Monkhouse Track and walked past the dam up to Old Beenak Road then to Boundary Road. On Boundary Road they stopped to have morning tea in beautiful sunshine. It was strange weather, most of the time the Sun shone however in between they needed to open up their umbrellas during the short bursts of rain.

On Boundary Road they continued to Shepherds Road and went uphill to Ure Road, then continued on Bullock Road where they had lunch at a spot with beautiful views over the surrounding farms. After lunch they continued to walk on Bullock Track to Holtz Track and on Holtz Track returned to Shepherds Creek Road and to Tomahawk Creek Track and walked beside Tomahawk Creek to Kurth Kiln.

The group then walked on the Thornton Track to the Klink's property where they relaxed and enjoyed a cup of tea before returning to their cars at the Kurth Kiln car park.

Everyone said that they had enjoyed the walk.
