

East Central Bushfire Risk Landscape ‘Open House’ session

Thursday 26 March 2015, Healesville

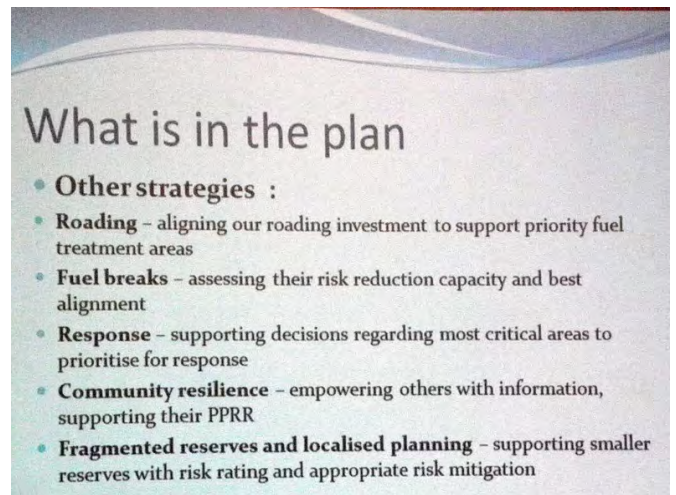

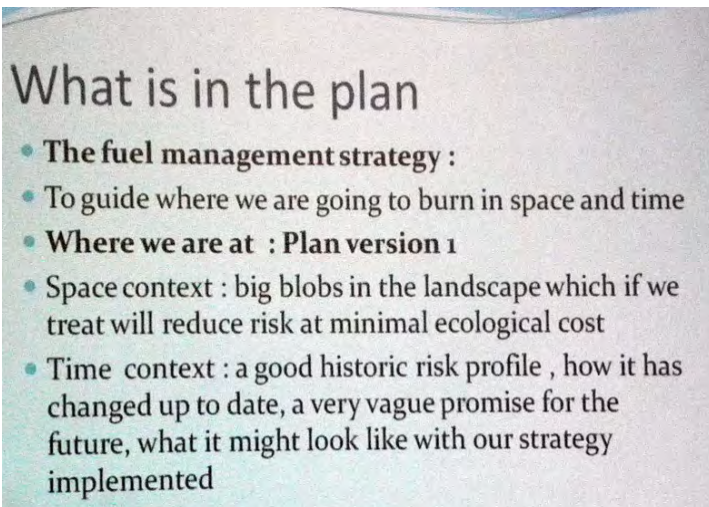

Peter from the Department of Environment, Land Water and Planning giving a talk and showing a PowerPoint.

The Port Phillip Region of the Department of Environment, Land Water and Planning held an ‘Open House’ session on Thursday 26 March. A public interaction consultation process to learn from the first iteration of the Strategic Bushfire Management Plan what could be improved for future iterations. The ‘East Central Strategic Bushfire Management Plan’ bush fire management within the East Central area influences the Fire Operations Plans and planned burning on the ground.
