

# Combined Friends Groups Christmas Break-Up At Kurth Kiln on Saturday 10 December 2016

Over 30 persons came and joined in the Parks Victoria Christmas Break-up Celebration for local Friends and Bushwalking groups. The weather was overcast, but cleared to a sunny afternoon. Before lunch people looked around the Kiln site and some went for a walk along the Tomahawk Creek Track.

On the way we saw a flower a vivid blue plant looking like an orchid. Research revealed that it was a Tall Lobelia (*lobelia gibbosa*).

Rangers Rozz and Andy cooked a delicious BBQ lunch, which was

supplemented by the salads and sweets brought by the participants. Soon everyone found a comfortable spot at the decorated tables and enjoyed their lunch.

After lunch both Rozz and Andy thanked the volunteers for their work in the parks during the past year and the years yet to come.

Rozz family came and their two girls passed out the yummy slice Rozz had baked

**The Friends of Kurth Kiln thank Rozz, Andy and Parks Victoria Gembrook for the lovely day and the opportunity to catch up with the other groups.**
