

# Gembrook Riding Club Time Trail

## Sunday 29 April 2018

Sunday turned out a beautiful sunny day. Horses were everywhere, riders and horse trailers. Cars travelling on Soldiers Road had to be very careful not to hit one of the 145 horse riders heading off in a continuous stream on the time trail track. The starting and finishing point was at the camping area on the Scout Loop, where the signing-in, finishing point and the canteen had been established.
