

# Glen Waverley Walking Group walk

at Kurth Kiln

Sunday 27 May 2018

On a misty morning, as the Sun started to peep through the trees, twenty one participants started the Benchrest walk at the Kurth Kiln Picnic Ground Car Park.

Before the walk began the Gas Producer display was viewed and a group photo taken in front of the Kiln.

On Soldiers Road the group walked to

Tentpole Road and from there up to East Beenak Road and Benchrest Track. On the highest peak on Benchrest Track they stopped for morning tea. Refreshed they continued to Groom Road. Reaching Blacksnake Creek Road they walked to East Beenak Road where they had lunch.

Following lunch the walk continued on East Beenak Road back to Tentpole Road. After the uphill walk on East Beenak Road it was lovely to go downhill on Tentpole Road to Spencer Track. At the end of Spencer Track they carried on the Waterchannel Track to the Kurth Kiln Picnic Ground and from there walked up to the Klink's home for afternoon tea.

After another group photo in front of the autumn leaved Liquid Amber tree they returned to Kurth Kiln via the Thornton Track.

The Sun had come out and it was a fantastic day for walking.
