

# Grants Preparation Workshop

Thursday 15 June, at the Yarra Ranges Council Conference Room

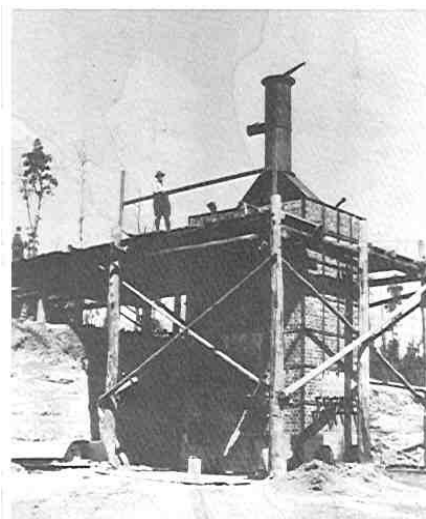

Hannah Sarsons

Hannah Sarsons, Community Partnerships Officer at Yarra Ranges Council, invited the Friends of Kurth Kiln to participate in the Grants Preparation Workshop on Thursday 15 June. Two members attended the interactive session designed to support applicants in refining their project idea, addressing the key selection criteria and networking with other groups in the Yarra Ranges community.

The Friends of Kurth Kiln would like to apply for a 2018 Calendar featuring some of the historic photos of the kiln and huts.

**The Friends of Kurth Kiln thank Hannah and the Yarra Ranges Council for the informative session.**
