

Pakenham Bushwalking Group Kurth Kiln walk

Tuesday 22 March 2016

It was a perfect day for walking. After circling up, the walk began on the Tomahawk Creek Track to Spotover Track. On Spotover Track, which is mainly uphill, we reached Manna Gum Track on which we walked to Monkhouse Track and the dam, where we had morning tea.

After morning tea we continued on Monkhouse Track to Beenak Road then walked on Boundary Track and Road to Shepherds Creek Road. There we walked to Holtz Track. Some of the more energetic walkers walked the 600 mts to Bullock Road while the others found a comfortable spot for lunch.

We returned to Kurth Kiln on Shepherds Creek Road and Tomahawk Creek Track. There a group photo was organised in front of the Information Booth.
