Sera Blair's Caught on Camera Power-Point

Sera Blair from Victoria's National Parks Association presented a Power-Point and spoke about the findings of the Caught on Camera Project 5 year report which showcased some great images of the Bunyip and Kurth Kiln Wildlife. Jasper Hails and Ian Vaskess are deeply involved in the project.

It was a great opportunity to catch up with other Volunteer Groups in the Gembrook area and reflect on the year that has been.

We thank Andrew and Emma his helper for an informative morning and the delicious tea.
