

# Waverley Walking Club walk at Kurth Kiln

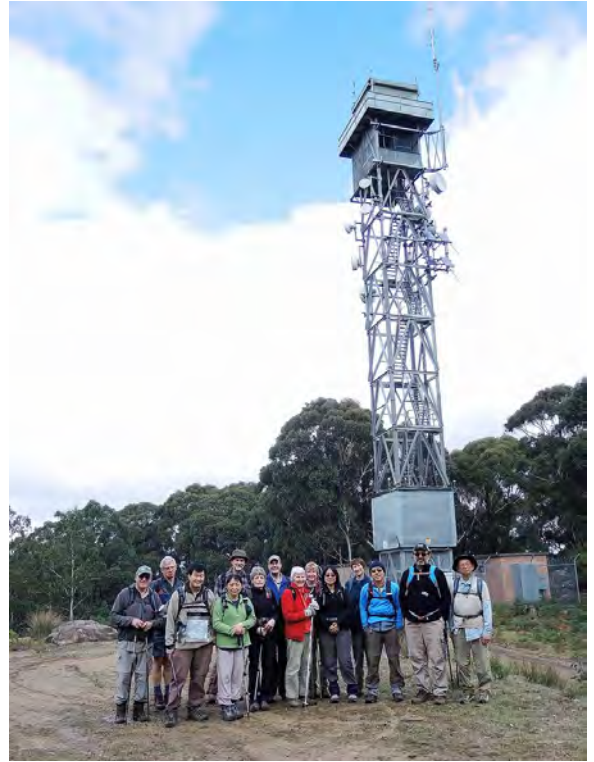

Saturday 15 August 2015

The fifteen walkers started off on Soldiers Road and turned right into Tentpole Road. On Beenak East Road they walked to Bench Rest Track where they rested on the rocks and enjoyed morning tea. On Beenak East Road the group continued until they

reached Egg Rock Fire Tower and stopped there for lunch.

After lunch and a photo session in front of the Fire Tower they walked back on Beenak East

Road to Tomahawk Valley Road and Soldiers Road.

On Soldiers Road they turned into Spencers Track and Waterchannel Track. From there back to Scout Loop Track, then across the Tomahawk Creek for afternoon tea at Klink's home, returning to Kurth Kiln via the Thornton Track.
